ANTI COVID-19 RECOMMENDATIONS

Harmers of London has adopted a corporate security protocol against Covid-19 infection to ensure a safe environment. To this end, customers must comply with the measures that are summarized hereafter. Customers' health and safety are an absolute priority for Harmers of London.

A reservation is required for entrance to the viewing room and to the auction hall which is subject to the availability of seats and limited to owners of auction paddle. The reservation can be made by phone, by calling the number +44 (0) 20 3409 1238 or by e-mail by writing to enquiries@harmers.com stating the requested time of entrance. A confirmation will be sent as soon as possible.

Body temperature will be checked at the entrance. In case of detected temperature above 37.5 ° entry will not be allowed. It is also forbidden to enter in presence of flu symptoms, if the customer comes from a high-risk area or if he had been in contact with anyone positive to the virus in the previous 14 days. Customers will be asked to fill out and sign a corporate disclosure document.

It is mandatory to wear a mask to enter the building. Hand sanitizer gel will be available at the entrance and inside the company premises. We remind to maintain a distance of at least one meter from each other. Gatherings are forbidden.

Consultation of the printed catalogue is strictly personal and catalogues cannot be left unattended.

SPECIAL NOTICES

Lots are sold as is. Viewing of the lots by the potential customer is recommended. Each description is made solely for the purpose of identifying the object; it is not exhaustive but is intended to facilitate the bidding and purchasing experience. **It does not replace direct examination by potential customers.** For any defects or general flaws you can refer to the notes below each description.

Condition reports of the lots in the auction are provided upon request. Contact Harmers' experts for further information.

Harmers of London **does not accept claims pertaining to multiple lots**, collections or accumulations, to assorted lots of stamps not individually described, or to lots explicitly described in the catalogue as "to be examined".

Requests for extensions are accepted for lots without other certificates, provided that they are requested before the lot is sold.

The "**cut bid**" (bid at half of the increment) is accepted for amounts over £ 5,000. By making a "cut bid" the customer precludes the possibility of making another offer if his bid is exceeded.

The lot is closed at the hammer, in exceptional cases and at the discretion of the auctioneer it may be reopened, if the next lot has not been opened yet.

Commission bids and internet bids have priority over bids in the auction hall.

All successful bids are subject to the buyer's premium of 20%.

BUYER'S TERMS AND CONDITIONS (the Terms)

1 INTRODUCTION

1.1 These Terms govern the sale of any type of goods or collectables (**Goods**) by Harmers of London Auctions Limited (company number 11561504) (**Harmers**). Harmers acts as agent for the seller of the Goods (**Seller**) and has been authorised by the Seller to sell the Goods on its behalf. The Goods are sold by public auction, private treaty sale, through www.harmers.com, or by any other means of Harmers. Please read these Terms carefully. Registering for an auction or otherwise purchasing the Goods from Harmers will constitute the acceptance of these Terms by the buyer of the Goods (**Buyer**). Harmers contact details: Telephone +44 (0)20 3409 1238. Email enquiries@harmers.com.

2 PRECEDENCE

2.1 Harmers will update these Terms from time to time on its website www.harmers.com. If there is any discrepancy between the text of these Terms in an auction catalogue and the Terms published at www.harmers.com, the online version of the Terms will take precedence.

3 RIGHT OF INSPECTION

3.1 Prospective buyers are able to examine the Goods to be auctioned during the viewing times publicised by Harmers. The Goods may only be handled with the assistance of Harmers' staff and are handled at the prospective buyer's own risk.

4 BEFORE THE AUCTION

4.1 Prospective Buyers are required to pre-register with Harmers before bidding at auction and provide any requested proof of identity documents, or billing information. Registration can be done during any pre-auction viewing days, where applicable. Prospective Buyers can also register for an auction online at www.harmers.com. Harmers reserves the right to ask prospective Buyers for information for identification purposes or regarding bank references, as part of the registration process. If bidding at a live auction in person bidders will receive a numbered bidding paddle before the start of the auction. If bidding on a live auction online bidders will be able to place bids as if in the auction saleroom through the online saleroom's interface.

5 BIDDING IN THE AUCTION

5.1 **General** - bidders acting on behalf of another person must present, to Harmers' satisfaction, information showing that the bidder is authorised to act on behalf of that other person. This information must either be presented to Harmers at the auction or be presented in writing to Harmers at least 24 hours prior to the auction. Harmers reserves the right to refuse agents or brokers of third parties

to participate in an auction if Harmers, at its sole discretion, is not satisfied with the information presented. Harmers or the auctioneer may at their discretion refuse any bid or refuse any bidder entry to the auction saleroom or online saleroom. Any bidding paddles must be returned to the auction registration desk at the end of the auction and Harmers will not accept any complaint or claim for the loss or theft of the bidding paddle. A bidder accessing the Harmers website (www.harmers.com) and bidding on an auction is agreeing to the website's terms and conditions and should ensure familiarity with these terms and conditions prior to placing a bid online.

5.2 **Placing bids** - by placing a bid the prospective Buyer is placing an irrevocable and binding offer to purchase the lot of Goods at the hammer price plus the applicable buyer's premium fee as described in clause 6.8 (**Buyer's Premium**). At a live auction, a bidding paddle must be used to indicate bids to the auctioneer, and the bidding software must be used to indicate bids to the auctioneer when bidding online. Harmers has the right to refuse any bid at its sole discretion. In the event of any doubts regarding the hammer price or the successful bidder, auction participants should attract the auctioneer's attention immediately. In the event that two (or more) identical bids are received, the first bid received will take priority. Harmers does not accept bids for lots other than the lots listed in the auction catalogue.

5.3 **Pricing** - Harmers does not accept bids below the starting price. Lots will open at the bid indicated as the starting price, except when competitive higher offers have been received prior to the opening of the auction, in which case the lot will open at the higher offer amount. Bidding increments will be regulated at the discretion of the auctioneer. The auctioneer reserves the right to withdraw, add, combine or divide lots, at his discretion.

5.4 **Winning bids** - the auction ends when the hammer falls, accepting the highest bid for the lot of Goods in the auction, and a contract for purchase of the applicable Goods is formed between the Buyer and the Seller. Harmers shall issue an invoice for a sold lot of Goods to the name and address registered to the winning bidder prior to the auction. The invoice cannot be transferred to another name or address unless agreed by Harmers. Harmers reserves the right to require bidders to pay a deposit to guarantee the payment of the sale price and auction commission. Harmers reserve the right to cancel the award of a lot in the event of any third-party dispute regarding the title of any Goods in a lot.

5.5 **Verifying bids** - where the prospective Buyer is placing a bid online, via telephone or by sealed bid, they must contact Harmers at the end of the auction to verify whether

their bid was successful. Notwithstanding whether such verification is made, Harmers will issue an invoice to the winning bidder for the sold lot(s) of Goods under clause 5.4. Harmers accepts no liability to: (i) any prospective Buyers for any negligence or error in completing a sealed bid; or (ii) prospective Buyers participating in the auction by telephone and/or online in the event of any electronic, computer or internet failure, or failure of the online bidding software.

6 PAYMENT AND COLLECTION

6.1 Buyers bidding in the auction saleroom at the time of the auction must make payment immediately after the auction has ended.

6.2 Buyers participating by absentee bids, telephone bids, or online must make payment within seven (7) calendar days from receipt of invoice from Harmers.

6.3 Title to the Goods will pass from the Seller to the Buyer upon payment in full of the hammer or sale price (including any VAT), the Buyer's Premium and any other related charges.

6.4 Payments can be made in cash, by bank transfer, cheque or banker's draft, or by debit or credit card (Harmers accepts American Express, MasterCard and Visa). If payment is made by American Express credit card or PayPal, a surcharge of 3.50% will be added to the hammer price or sale price of the lot. Payment will not be accepted from anyone other than the Buyer.

6.5 If a Buyer fails to make a payment due under these Terms by the due date then Harmers may charge interest on the overdue sum from the due date until payment at the rate of 5% per annum above the base rate of Barclays Bank Plc. Such interest shall accrue on a daily basis from the due date until the actual payment of the overdue amount.

6.6 If a prospective Buyer wishes to agree extended payment terms with Harmers, it must do this before the beginning of the auction.

6.7 In the event of continued non-payment of the sale price and/or Buyer's Premium by the Buyer for 30 days from the date of the invoice for sale, then Harmers may cancel the sales contract for the applicable Goods without any liability to the Buyer and any payment instalments made by the Buyer may be retained by Harmers.

6.8 For the sale of lots with the VAT margin scheme, all sold Goods are subject to a Buyer's Premium on the following sliding scale:

Numismatic and philatelic auctions and sales

(a) 20% on the hammer or sale price (including VAT);

Other auctions and sales

(a) 25% on the portion of the hammer or sale price up to £100,000 (including VAT);

(b) 22.5% on the portion of the hammer or sale price between £100,001 and £250,000 (including VAT);
(c) 20% on the portion of the hammer or sale price between £250,001 and £500,000 (including VAT); and
(d) 18% on the portion of the hammer price or sale price above £500,001 (including VAT). No particular symbol will be used to identify the lots sold in the margin scheme.

6.9 For the sale of lots with standard VAT, all sold Goods are subject to a Buyer's Premium on the following sliding scale according to the shipping destination of the lots:

If goods remain within the EU:

(a) Buyer's premium rate for VAT exempt buyers: 18% (all categories).

(b) Buyer's premium rate for VAT payers: the same as those applied for the VAT margin scheme.

(c) VAT on buyer's premium payable at 20%.

If the lot is being exported outside of the EU, VAT will not be included on the invoice.

6.10 If the Buyer otherwise wishes to request a waiver or refund of the VAT paid, it should contact Harmers using the contact details stated in clause 1.1.

6.11 Goods will be held by Harmers, at Harmers' risk, from the fall of the hammer until the Buyer has completed loading the Goods at the point of collection when risk shall transfer to the Buyer. Harmers can ship the Goods by registered mail at the expense of the Buyer.

The Buyer will only be permitted to collect the Goods, and Harmers will only ship the Goods, following the payment in full of the hammer price or sale price (including VAT), the Buyer's Premium and any shipping and/or storage costs of Harmers, if applicable. Any packaging or handling of the Goods by Harmers may be provided by Harmers as a courtesy.

6.12 Harmers may charge the Buyer an amount equal to 1% of the sale price (including VAT) of the applicable Goods for each month of delayed collection of the Goods. This charge is inclusive of VAT.

6.13 Harmers shall maintain in force insurance against the loss, damage or destruction of the Goods whilst being held by Harmers to the selling price.

7 CUSTOMS AND EXPORT

7.1 The Buyer is responsible for paying any customs and export costs, or other costs due under any Applicable Law, including the Artist's Resale Right (Amendment) Regulations 2011, and for obtaining any export or import licences in relation to the export of the Goods. Harmers accepts no liability for any costs or losses to the Buyer as a result of any Applicable Law, including any customs or export costs, and the Buyer should ensure familiarity with any customs and export restrictions prior to bidding on any Goods.

8 SALE OF GOODS AT PUBLIC AUCTION

8.1 Any illustrations, descriptions, values and estimates of any antique or second-hand Goods contained in the catalogues or other illustrative materials are provided only as a guide to the Buyer. Any illustrations, descriptions, values or estimates of these Goods are made to the best of Harmers' knowledge but should not be relied on as statement of fact. Prospective Buyers bidding online or by telephone or by sealed bid should take the opportunity to inspect the lot of Goods prior to the auction to satisfy themselves as to its condition. Public auction lots of second-hand Goods are sold as seen with all faults, imperfections and errors of description, as applicable. Harmers nor the Seller shall give any warranty to a Buyer in respect of any lot or be liable for any fault, imperfection or error of description of any lot.

8.2 Notwithstanding clause 8.1 any Goods which prove to be a Forgery (as defined below) may be returned to Harmers within 30 days of the auction provided it is in the same condition as when bought, and is accompanied by a written statement detailing the reason for return. Harmers may request a report from an expert in the applicable area (who is acceptable to Harmers and the Buyer), at the Buyer's cost. If Harmers is satisfied that the Goods are a deliberate forgery, the Buyer shall be refunded the money paid for the Goods including any VAT and/or Buyer's Premium provided that the description of the Goods in the catalogue reflected the view of experts as of the date of sale. Please note that if the Buyer is not able to transfer Goods and marketable title in the Goods to Harmers, the Buyer cannot receive any refund under this clause 8.2.

8.3 For the purposes of clause 8.2 **Forgery** means a non-genuine version of goods or collectibles made with the intention of inducing another to accept it as genuine, which is clearly described in the auction catalogue as being genuine and which at the date of sale had a value less than the equivalent value of the genuine goods or collectibles.

9 EXPERT REPORTS

9.1 Harmers may at its discretion issue expert/condition reports when requested by a buyer, or otherwise, to supplement the description of any Goods in a catalogue, or elsewhere. Such reports are for guidance only.

10 NO LIABILITY

10.1 Nothing in this Agreement shall limit or exclude Harmers' liability for: (a) death or personal injury caused by its negligence, or the negligence of its personnel, agents or subcontractors; (b) fraud or fraudulent misrepresentation; or (c) any other liability which cannot be legally limited or excluded by any Applicable Laws.

10.2 Harmers is not liable for any business losses. Harmers has no liability to a Buyer for any

loss of profit, loss of business, business interruption, or loss of business opportunity.

10.3 Harmers is not responsible for any loss or damage where it is not obvious that the loss or damage will happen.

10.4 Harmers is not liable for any losses, or any failure or delay in the performance of its obligations under this Agreement, due to any actions beyond its control including, but not limited to, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, loss or malfunctions or utilities, communications or computer (software and hardware) services.
