ANTI COVID-19 RECOMMENDATIONS

Harmers of London has adopted a corporate security protocol against Covid-19 infection to ensure a safe environment. To this end, customers must comply with the measures that are summarized hereafter. Customers' health and safety are an absolute priority for Harmers of London.

A reservation is required for entrance to the viewing room and to the auction hall which is subject to the availability of seats and limited to owners of auction paddle. The reservation can be made by phone, by calling the number +44 (0) 20 3409 1238 or by e-mail by writing to enquiries@harmers.com stating the requested time of entrance. A confirmation will be sent as soon as possible.

Body temperature will be checked at the entrance. In case of detected temperature above 37.5 ° entry will not be allowed. It is also forbidden to enter in presence of flu symptoms, if the customer comes from a high-risk area or if he had been in contact with anyone positive to the virus in the previous 14 days. Customers will be asked to fill out and sign a corporate disclosure document.

It is mandatory to wear a mask to enter the building. Hand sanitizer gel will be available at the entrance and inside the company premises. We remind to maintain a distance of at least one meter from each other. Gatherings are forbidden.

SPECIAL NOTICES

Lots are sold as is. Viewing of the lots by the potential customer is recommended. Each description is made solely for the purpose of identifying the object; it is not exhaustive but is intended to facilitate the bidding and purchasing experience. **It does not replace direct examination by potential customers.** For any defects or general flaws you can refer to the notes below each description.

Condition reports of the lots in the auction are provided upon request. Contact Harmers' experts for further information.

Harmers of London **does not accept complaints pertaining to multiple lots**, collections or accumulations, to assorted lots of stamps not individually described, or to lots explicitly described in the catalogue as to be inspected or to be viewed.

Requests for extensions are accepted for lots without other certificates, provided that they are requested before the lot is sold.

The **"cut bid"** (bid at half of the increment) is accepted for bids over £ 5,000. By making a "cut bid" the customer precludes the possibility of making another offer if his bid is exceeded.

The lot is closed at the hammer, in exceptional cases and at the discretion of the auctioneer it may be reopened, if the next lot has not been opened yet.

Commission bids and internet bids have priority over bids in the auction hall.

All sold goods are subject to the Buyer's Premium of 20% on the hammer price + VAT.

The symbol  after the starting price indicates its **Temporary import status** within UK. Lots purchased under the Temporary import regime cannot be collected in the UK immediately by the buyer, because the closing of the Temporary import procedure, directly managed by the auction house, needs to be performed. If the buyer is a UK resident import taxes (Customs' duties) of 5% on the hammer price will be added to the invoice and paid by the buyer. Instead, if the lot is being sold outside the UK, no import taxes will be added to the invoice, subject to delivery outside the UK territory.

BUYER'S TERMS AND CONDITIONS (the Terms)

1 INTRODUCTION

1.1 these Terms govern the sale of any type of goods or collectables (**Goods**) by Harmers of London Auctions Limited (company number 11561504) (**Harmers**). Harmers acts as agent for the seller of the Goods (**Seller**) and has been authorised by the Seller to sell the Goods on its behalf. The Goods are sold by public auction, private treaty sale, through www.harmers.com, or by any other means of Harmers.

Please read these Terms carefully. Registering for an auction or otherwise purchasing the Goods from Harmers will constitute the acceptance of these Terms by the buyer of the Goods (**Buyer**).

Harmers contact details: Telephone +44 (0)20 3409 1238. Email enquiries@harmers.com.

2 PRECEDENCE

2.1 Harmers will update these Terms from time to time on its website www.harmers.com. If there is any discrepancy between the text of these Terms in an auction catalogue and the Terms published at www.harmers.com, the online version of the Terms will take precedence.

3 RIGHT OF INSPECTION

3.1 prospective buyers are able to examine the Goods to be auctioned during the times publicised by Harmers. The Goods may only be handled with the assistance of Harmers' staff and are handled at the prospective buyer's own risk.

4 BEFORE THE AUCTION

4.1 prospective Buyers are required to pre-register with Harmers before bidding at auction and provide any requested proof of identity documents, or billing information. Registration can be done during any pre-auction viewing days, where applicable. Prospective Buyers can also register for an auction online at www.harmers.com. Harmers reserves the right to ask prospective Buyers for information for identification purposes or regarding bank references as part of the registration process. If you are bidding at a live auction in person you will receive a numbered bidding paddle before the start of the auction. If you are bidding on a live auction online you will be able to place bids as if you are in the auction saleroom through the online saleroom's interface.

5 BIDDING IN THE AUCTION

5.1 **General** – bidders acting on behalf of another person must present, to Harmers' satisfaction, information showing that the bidder is authorised to act on behalf of that other person. This information must either be presented to Harmers at the auction or be presented in writing to Harmers at least 24 hours prior to the auction. Harmers reserves the right to refuse agents or brokers of third parties to participate in an auction if Harmers, at its sole discretion, is not satisfied with the information presented. Harmers or the auctioneer may at their discretion refuse any bid or refuse any bidder entry

to the auction saleroom or online saleroom. Any bidding paddles must be returned to the auction registration desk at the end of the auction and Harmers will not accept any complaint or claim for the loss or theft of the bidding paddle. A bidder accessing the Harmers website (www.harmers.com) and bidding on an auction is agreeing to the website's terms and conditions and should ensure familiarity with these terms and conditions prior to placing a bid online.

5.2 **Placing bids** – by placing a bid the prospective Buyer is placing an irrevocable and binding offer to purchase the lot of Goods at the hammer price plus the applicable buyer's premium fee as described in clause 6.8 (**Buyer's Premium**). At a live auction, a bidding paddle must be used to indicate bids to the auctioneer, and the bidding software must be used to indicate bids to the auctioneer when bidding online. Harmers have the right to refuse any bid at its sole discretion. In the event of any doubts regarding the hammer price or the successful bidder, auction participants should attract the auctioneer's attention immediately. In the event that two (or more) identical bids are received, the first bid received will take priority. Harmers does not accept bids for lots other than the lots listed in the auction catalogue.

5.3 **Pricing** – Harmers does not accept bids below the reserve price. Lots will open at the bid indicated as the starting price, except when a higher offer has been received prior to the opening of the auction, in which case the lot will open at that offer amount. Bidding increments will be regulated at the discretion of the auctioneer. The auctioneer reserves the right to withdraw, add, combine or divide lots, at their discretion.

5.4 **Winning bids** – the auction ends when the hammer falls, accepting the highest bid for the lot of Goods in the auction, and a contract for purchase of the applicable Goods is formed between the Buyer and the Seller. Harmers shall issue an invoice for a sold lot of Goods to the name and address registered to the winning bidder. The invoice cannot be transferred to another name or address. Harmers reserve the right to require bidders to pay a deposit to guarantee the payment of the sale price and auction commission. Harmers reserve the right to cancel the award of a lot in the event of any third-party dispute regarding the title of any Goods in a lot.

5.5 **Verifying bids** – where the prospective Buyer is placing a bid online, via telephone or by sealed bid, they must contact Harmers at the end of the auction to verify whether their bid was successful. Notwithstanding whether such verification is made, Harmers will issue an invoice to the winning bidder for the sold lot(s) of Goods under clause 5.4. Harmers accepts no liability to: (i) any prospective Buyers for any negligence or error in completing a sealed; or (ii) prospective Buyers participating in the auction by telephone and/or online in the event of any electronic, computer or internet failure, or failure of the online bidding software.

6 PAYMENT AND COLLECTION

6.1 Buyers bidding in the auction saleroom at the time of the auction must make payment immediately after the auction has ended.

6.2 Buyers participating by absentee bids, telephone bids, or online must make payment within seven (7) calendar days from receipt of invoice from Harmers.

6.3 Title to the Goods will pass from the Seller to the Buyer upon payment in full of the hammer or sale price (including any VAT), the Buyer's Premium and any other related charges.

6.4 Payments can be made in cash, by bank transfer, cheque or banker's draft, or by debit or credit card (Harmers accepts American Express, MasterCard and Visa). If payment is made by American Express credit card or PayPal, a surcharge of 3.50% will be added to the hammer price or sale price of the lot. Payment will not be accepted from anyone other than the Buyer.

6.5 If a Buyer fails to make a payment due under these Terms by the due date then Harmers may charge interest on the overdue sum from the due date until payment at the rate of 5% per annum above the base rate of Barclays Bank Plc. Such interest shall accrue on a daily basis from the due date until the actual payment of the overdue amount.

6.6 If a prospective Buyer wishes to agree extended payment terms with Harmers, it must do this before the beginning of the auction.

6.7 In the event of continued non-payment of the sale price and/or Buyer's Premium by the Buyer for 30 days from the date of the invoice for sale, then Harmers may cancel the sales contract for the applicable Goods without any liability to the Buyer and any payment instalments made by the Buyer may be retained by Harmers.

6.8 For the sale of lots with the VAT margin scheme, all sold Goods are subject to a Buyer's Premium on the following sliding scale: Numismatic and philatelic auctions and sales (a) 20% on the hammer or sale price + VAT; Other auctions and sales
